GET THEM TALKING

Christmas Conversation Cards

Cut out the cards. Read one aloud, or let each table pick a card and talk about it.

If you could tell Santa one thing about yourself, what would it be?

What is something you learned or did this year?

Is there something you have always wanted to ask Santa?

What would you wish for someone else?

What made you laugh this year?

If you could visit the North Pole, what would you do first?

What do you think the reindeer do when they're not flying?

What kind thing did someone do for you this year?

✂ Cut along the dashed lines

CLASSROOM POSTER · DISPLAY OR PROJECT

The Four-Part North Pole Letter Challenge

Think of these four things before you write or draw your letter.
You don't need all four!

1

Something About Me

What do you enjoy doing? What makes you happy?

"I am 6 years old and I love building things with LEGO."

2

Something I'm Proud Of

What did you learn, achieve or try this year?

"I learned to ride my bike."

3

A Question for Santa

What have you always wondered about Santa or the North Pole?

"What do the reindeer do in summer?"

4

A Wish

One wish for yourself, and one kind wish for someone else.

"I wish for a new storybook. I also wish my grandma stays happy."

Tell a partner your ideas, then write or draw your letter!
